## Co-Curricular Transportation for off-site school sponsored activities

Date of trip: \_\_\_\_\_ Location of activity: \_\_\_\_\_

Dear Parents/Guardians;

As per LRSD Administrative Procedure on transportation of students, it is the requirement of LRSD and MHHS that students be transferred to and from co-curricular events by bus when possible and practical. MHHS Booster Club also endorses the use of busses as the safest means of transportation to and from events. In the occasion where extraneous circumstances arise and a student must ride with their parent, the parents of that student must release LRSD from any liability. Under no circumstances are students allowed to transport each other to or from co-curricular events.

If the school provides transportation to an off-site activity, and a parent wishes to transport their child to/from the school sponsored activity, the student and both parents/guardians must sign to acknowledge:

- a) That the student was offered school provided transportation and that it was declined; \_\_\_\_\_  
Int.
- b) That the parent accepts responsibility for the student's transportation to/from the school sponsored offsite activity; \_\_\_\_\_  
Int.
- c) That the parent does not or will not hold the School Board liable for any accident or injury that may occur during the transportation to/from the off-site school sponsored activity; \_\_\_\_\_  
Int.
- d) That the parent understands that the School Board's Student Accident Insurance does not apply during the transportation portions of the trip, and that the student is only covered from their arrival at the school sponsored offsite activity, until the student leaves the off-site activity. \_\_\_\_\_  
Int.
